JULIAN CONTRERAS
FULL STACK WEB DEVELOPER

ABOUT ME

My name is Julián Yago Contreras Lucero, I am a Full Stack Web Developer, in April 2023 I finished the Full Stack Developer Bootcamp at Soy Henry. Currently I continue to increase my knowledge in courses related to programming such as CoderHouse taking the JavaScript course and doing personal projects
I seek to develop and grow in the technological field and obtain knowledge in surveying and implementing solutions for different clients.
